I would like my local Councillor to consider the following request for funding:

We are aiming to raise funds to run a boat building and sailing project for young people to participate in with a parent or guardian. We will particularly aim the project at families on low incomes and/or where the young person is experiencing difficulties or demonstrating unmanageable behaviours. This is to increase the skills of all involved which may help with career choices for both parent and young person, to give them both the opportunity to participate in a positive activity together and engage in a physical activity which we hope will be life long.

We need to raise £4000 for materials and tools, we are requesting these funds from Chells and Manor, Bedwell, Pin Green and Shephall Councillors as they are the areas we will be focusing on promoting the project to.
