<p><b>I would like my local Councillor to consider the following request for funding:</b> (please continue on a separate sheet if necessary)</p> <p><b><i>The continuation of the work on the Stevenage District Scouts wildlife Garden.</i></b></p> <p>Three years ago I sent a letter to all Councillors asking for their support in obtaining the lease to the area of ground at the rear of our District Headquarters. We have now obtained the lease have and already spent £22,000-00 of the Districts money on the project. This has allowed us to put up the fence, planted the hedge and clear the pond all under consultation with the Councils Conservation Officer and the Herts and Middlesex Wild Life Trust.</p> <p>We now need to continue with the next phase, where we would like your help by means of funds from your Community Budget, This is a town wide project although it is in the Shephall Ward. We would again be grateful of your support of £100 from each Councillor to help us finish this garden ready to enjoy next year by people in the Community.</p> <p>This year we received grants from the Stevenage County Councillors from their Locality Budgets, this was for a path for access around the garden, trees for a small spinney, soil to level off some of the garden and machinery to maintain the garden. There will be a third phase funds permitting hopefully later this year or early next year, this will consist of a small decking area, seats, benches, and some more ground work for the wild flower beds to encourage wildlife.</p> <p>You are all more than welcome to come and see what we have done so far and our vision for the future of the wildlife garden.</p>
