<p>I would like my local Councillor to consider the following request for funding:</p> <p>Stevenage Sporting Futures was formed when the Stevenage Schools partnership lost government funding in August and are now a community interest company. The aim of Sporting Futures is to target local young people not in employment or training and provide them with sporting apprenticeships working in our 40 partner local schools. The need to provide a clear pathway to employment for our young people has never been greater with youth unemployment at a record high. They will become positive local role models for our young people to aspire to and be the basis of a home grown delivery of healthy activities for the town. With the help of community mentors they will ensure these young people have a positive start and gain accredited qualifications which will enable them to work and progress with sporting futures, community clubs and local schools. This will also provide subsidized after schools clubs for young people to access which in the current economic climate will bring relief to hard pressed local families.</p> <p>Sporting futures needs support to get kit for the apprentices and community volunteers and to create a website which can be used to promote our work to help gain sponsorship and to ease the admin burden by being able to take bookings and orders for the coaching delivery via a website.</p>

<p>Declaration: I declare that the information supplied in this request is true and that any grant money received from Stevenage Borough Council will be used for the purposes described in this form</p>
