

**Annual Governance Statement (AGS):
Framework for compiling the AGS: Setting out the process**

The Council is required to prepare an Annual Governance Statement (AGS) and to present it alongside the Statement of Accounts. The AGS is a public assurance that the Council has a sound system of internal control, and robust corporate governance arrangements, designed to help manage and control its risks. It is an important public expression of what the Council has done to put in place good business practice, high standards of conduct and sound governance.

CIPFA/SOLACE guidance suggests that the process for compiling the AGS should be clearly set out and provided as part of supporting evidence.

The document below sets out the approach Stevenage Borough Council takes in compiling its Annual Governance Statement. The development of the AGS culminates from a continuous review process designed to enable the authority to review and improve its governance arrangements.

The framework includes timescales for compiling the evidence and writing the statement and sets out who will provide evidence.

This document is intended for use by:

- a) Officers charged with the responsibility of gathering evidence and coordinating the Council's approach to compiling the Governance Statement
- b) Members and managers who need to be aware of the Council's approach to compiling the Annual Governance Statement.

This is designed to be a working document, through which areas for improvement and further development of the process will be identified.

Statutory Framework

Revising and consolidating previous legislation, the 2015 Accounts and Audit (England) Regulations came into force on 1 April 2015 and require the Council to prepare an Annual Governance Statement, prepared in accordance with proper practices in relation to internal control, to accompany the Statement of Accounts.

In 2006, CIPFA/SOLACE produced a publication called, *Delivering Good Governance in Local Government: Framework and Guidance*. In April 2016, CIPFA/SOLACE published a reviewed *Framework and Guidance* that reflects the *International Framework: Good Governance in the Public Sector* developed by CIPFA/IFAC published July 2014.

The Council adopted a Local Code of Corporate Governance on 17 March 2008 that was reaffirmed on 10 June 2015. The Code is consistent with the principles and reflects the requirements of the 2016 CIPFA/SOLACE Framework. It focuses on seven core principles of corporate governance.

The Department for Communities and Local Government clarified that the Annual Governance Statement was assigned 'proper practice' status in August 2006 and therefore has statutory backing.

The Annual Governance Statement Process

It is important that the Annual Governance Statement results from an ongoing process to contribute towards the embedding of good governance across the Council, and not just an end of year activity.

In order to proactively review governance in-year, Corporate Governance Group (CGG) meets a minimum of four times a year to oversee key elements of assurance for each of the Seven Principles of good governance. A core group of officers attends each meeting. Other corporate groups' terms of reference include the responsibility to escalate any issues to CGG which may impact on any area of the organisation's governance. From April 2013, Corporate Risk Group and Corporate Governance Group were more closely aligned (forming Part A and Part B of Corporate Risk and Governance Group) in order to enhance the links between risks and governance arrangements.

The approach to monitoring corporate governance promotes continuous review and update of information and regular monitoring of action plans.

The AGS is compiled following a review of the effectiveness of systems of internal control. The review involves the Senior Management Team, as well as specific responsibilities for Internal Audit and the Corporate Governance Group, as shown in the table below.

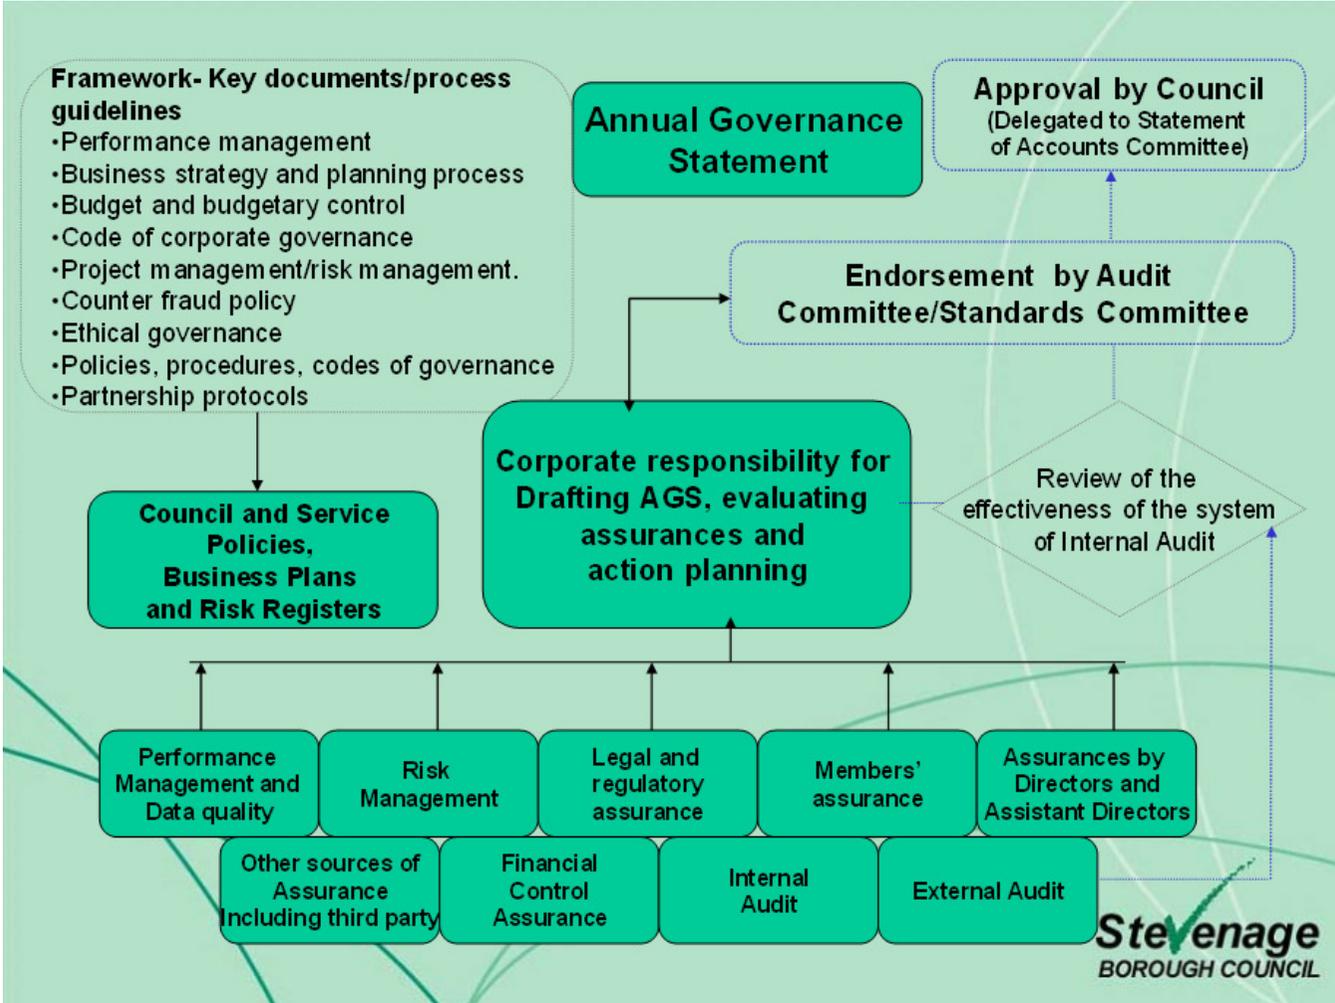

The AGS will be considered at the Audit Committee on 15 June 2017. The Leader of the Council and the Chief Executive will sign the statement, prior to publication along with the Statement of Accounts.
