2) Every retail sale or supply of alcohol made under this licence must be made or authorised by a person who holds a personal licence.

3) The premises licenses holder or club premises certificate holder shall ensure that an age verification policy applies to the premises in relation to the supply of alcohol.

4) The policy must require individuals who appear to the responsible person to be under 18 years of age (or such older age as may be specified in the policy) to produce on request, before being served alcohol, identification bearing their photograph, date of birth and a holographic mark.

To view further details (e.g. premises plans) please request from Licensing Office, quoting relevant licence or application number.
5) A relevant person shall ensure that no alcohol is sold or supplied for consumption on or off the premises for a price which is less than the permitted price.

6) For the purposes of the condition set out in paragraph 6-
   (a) “duty” is to be construed in accordance with the Alcoholic Liquor Duties Act 1979(a);
   (b) “permitted price” is the price found by applying the formula-
   \[ P = D + (D \times V) \]
   where-
   (i) \( P \) is the permitted price,
   (ii) \( D \) is the amount of duty chargeable in relation to the alcohol as if the duty were charged on the date of the sale or supply of the alcohol, and
   (iii) \( V \) is the rate of value added tax chargeable in relation to the alcohol as if the value added tax were charged on the date of the sale or supply of the alcohol;
   (c) “relevant person” means, in relation to premises in respect of which there is in force a premises licence-
   (i) the holder of the premises licence,
   (ii) the designated premises supervisor (if any) in respect of such a licence, or
   (iii) the personal licence holder who makes or authorises a supply of alcohol under such a licence;
   (d) “relevant person” means, in relation to premises in respect of which there is in force a club premises certificate, any member or officer of the club present on the premises in a capacity which enables the member or officer to prevent the supply in question; and
   (e) “value added tax” means value added tax charged in accordance with the Value Added Tax Act 1994(b).

7) Where the permitted price given by Paragraph (b) of paragraph 6 would (apart from this paragraph) not be a whole number of pennies, the price given by that sub-paragraph shall be taken to be the price actually given by that sub-paragraph rounded up to the nearest penny.

8) -(1) Sub-paragraph (2) applies where the permitted price given by Paragraph (b) of paragraph 6 on a day (“the first day”) would be different from the permitted price on the next day (“the second day”) as a result of a change to the rate of duty or value added tax.
   
   (2) The permitted price which would apply on the first day applies to sales or supplies of alcohol which take place before the expiry of the period of 14 days beginning on the second day.

If the premises are using a video recording system, the cassette tape shall be used on no more than 12 occasions.

3) Signage will be displayed at the exit of the premises requesting customers leaving the premises late at night to do so quietly and with consideration so as not to disturb nearby residents.

4) All cashiers will be trained to require evidence of age from any person seeking to buy alcohol and appearing to the cashier to be under the age of 18. This evidence shall be photographic, such as passport or photographic driving licence until other effective identification technology (for example thumbprint or pupil recognition) is introduced.
