1. Introduction

The burial grounds in Stevenage provide attractive and peaceful green spaces for all visitors to enjoy, whether for remembering a loved one or to simply take some time for quiet reflection.

All visitors are welcome to our cemeteries and we ask that everyone respects the peace, dignity and reverence of these facilities, as well as other users, and we thank you in advance for your consideration.

This policy sets out the principles of how Stevenage Borough Council (the 'Council') will manage the cemeteries to ensure that they are safe, accessible and sustainable.

This policy seeks to provide a balance between respecting the rights and choices of the individual, while also meeting the need for providing safe and tidy cemeteries that everyone can enjoy.

2. Background

2.1 Cemeteries and Churchyards

The Council's cemeteries are open to the public 365 days a year.

The sites to which this policy relates are:

- Almond Lane Cemetery,
- Weston Road Cemetery,

2.1.1 Almond Lane Cemetery

This cemetery has both a traditional layout with full kerb-sets and lawn sections, which are divided into Established Church, Roman Catholic, and Dissenter or Non-conformist.

Almond Lane Cemetery also has:

- a natural burial ground for both burials and ashes interments
- Sanctums
- Garden of Rest
- Rose Gardens
- Shrub Gardens.

The Sanctums, Garden of Rest, Rose and Shrub Gardens are for ashes interments only.

2.1.2 Weston Road Cemetery

This is a lawn cemetery with sections divided into Established Church, Dissenter or Non-conformist.

Weston Road Cemetery also has:

- A Muslim section
- Children's section
- Gardens of Rest
- Rose Gardens
- Shrub Gardens
- Lawn Birches - an ashes scattering area.

The Garden of Rest, Rose and Shrub Gardens are for ashes interments only.

2.1.3 The Council also manage and maintain two churchyards in Stevenage:

- St Nicholas Churchyard

The Churchyard is immediately adjacent to the Weston Road Cemetery. It is a closed churchyard, meaning that there are no further grave spaces available for new burials.

St Nicholas Churchyard is designated as a Local Wildlife Site and the Council manages the grounds sympathetically to its status.

- St Mary's Churchyard

This is a closed churchyard, meaning that there are no further grave spaces available for new burials.

2.2 Legislation

There is a range of legislation which apply to burials and the management of cemeteries. The Cemetery Regulations, and this policy, are based upon legislation including:

- Local Government Act 1972
- Local Authorities' Cemeteries Order 1977
- Health & Safety at Work Act 1974
- Environmental Protection Act 1990

2.3 Cemetery Records

All the statutory burial records for Almonds Lane and Weston Road Cemeteries are held at:

Weston Road Cemetery	Stevenage Borough Council
Weston Road	Cavendish Road
Stevenage	Stevenage
Herts.	Herts.
SG1 3RP	SG1 2ET

A map is available to help in locating a grave or ashes plot.

4. Definitions

Making arrangements for the interment of a loved one can be highly emotional and stressful. In addition to the personal bereavement there are lots of legal terms and processes that need to be followed. Here we will try and provide some simple explanations of common terminology associated with interments.

4.1 Deed of Grant

The Deed of Grant is an important legal document and this should be stored in a safe place. It confirms that you are the current legal owner of the Right of Burial in a named grave.

The Deed of Grant (the 'Deed') needs to be produced when an interment takes place. Where this is not reasonably possible, any person whom the Council considers to be entitled to request that the grave may be opened may do so by making a Statutory Declaration and giving indemnity to the Council.

The Deed can be purchased at the time of arranging an interment or, in the case of a child's grave, it can be purchased after the burial has taken place.

The Council currently grants a Deed for a period of 50 years for graves and 50 years for ashes interments in the Garden of Rest.

It is the responsibility of the Deed of Grant holder to keep the cemetery office informed of any changes to contact details.

4.2 Exclusive Right of Burial

The Deed of Grant holder has the exclusive right to determine who can be buried in the grave space for which they hold the Deed.

Only the owner of the Exclusive Rights of burial, or their personal representative, can authorise the reopening of the grave space. This authorisation must be received in writing.

4.3 Transfer of Ownership

The Transfer of Ownership of a Deed of Grant for Exclusive Right of Burial is a legal process and is usually required when the owner of the grave space has been interred within the grave for which they hold the Deed.

No further burials, interments, memorials or changes to memorials are allowed until ownership has been transferred. The new owner must demonstrate ownership of the grave by producing:

- a will
- grant of probate
- letters of administration or a Statutory Declaration witnessed by an authorised court official, a Commissioner of Oaths, a magistrate or solicitor to prove that they are the next of kin.

A fee is payable for a Transfer of Ownership; if ownership is not transferred on the death of the owner, the grave space will be considered unavailable for further interments.

4.4 Notice of Interment

This is a Council document that is often completed by the funeral director. It sets out the details of the funeral, including date and time, details of the deceased, together with the status and details of the grave space.

The completed form must be returned to the Council at least 2 days (48 hours) prior to the funeral.

5. Management of Grave Spaces

Burials are only allowed in the designated areas.

5.1 Purchased Grave Spaces

Graves are allocated by section consistent with the plan of the cemetery; however there may be a choice regarding the position of the available graves and arrangements can be made to meet a member of staff to view available and appropriate graves.

5.2 Unpurchased Grave Spaces

An unpurchased grave, sometimes also known as a 'public' or 'common' grave, is where the Exclusive Right of Burial Grant has not been purchased and effectively remains with the Council.

More than one interment may take place in the grave, and maybe of unrelated persons.

The Council will place a small plaque on the grave space to identify the person(s) interred there. No memorials of any kind (including, but not limited to, planting, flowers, vases, crosses, pictures, kerbings) are permitted on non-purchased grave spaces and any such item may be removed without prior notice.

5.3 Flowers

Cemetery staff will remove all fresh flowers once they have withered, and will dispose of them through recycling.

6. Interments

6.1 Hours of Interments

6.1.1 Interments can take place between the following hours:

April – September	Monday to Friday	9.30am – 2.30pm
October – March	Monday to Thursday	9.30am – 2.00pm
	Friday	9.30am – 11.00am

6.1.2 Burials may also be possible on a Saturday, subject to availability of cemeteries staff, and will incur an additional charge.

6.1.3 The appointed times for funerals must be strictly observed to prevent inconvenience to other funerals.

Late arrivals may incur additional charges and the funeral may have to be postponed or rearranged. Any funeral arriving at a time other than that appointed, must act under the Council's directions.

6.2 Funeral Directors

6.2.1 Funeral directors must observe the "Instructions to Funeral Directors" issued by the Federation of Burial and Cremation Authorities, or other authorised instruction.

6.2.2 Funeral directors are responsible for arranging sufficient bearers to carry and lower the coffin in a dignified, and reverent manner. The Council is unable to supply additional bearers.

We understand that family members, and friends often wish to assist with this and we respect that decision. Any mourners who do assist with the bearing or lowering of the coffin do so at their own risk.

6.3 Certificates

- 6.3.1 A Registrar's / Coroner's Certificate (for burials) or Certificate of Cremation (for ashes) must be presented, by hand, to the overseeing Council Officer in advance of the interment taking place.

The certificate should not be sent through the postal system, and the Council will not accept any liability for certificates sent by post and subsequently lost.

- 6.3.2 No burial will be permitted within the cemetery grounds without the Registrar's / Coroner's Certificate (for burials) or Certificate of Cremation (for ashes).

6.4 Notice of Interment

- 6.4.1 A completed Notice of Interment (the 'Notice') must be received not less than two working days before the day the burial is due to take place.
- 6.4.2 The Notice must be signed by the grave owner or their personal representative. The Council will not accept responsibility for the accuracy of the details contained in the Notice of Interment.
- 6.4.3 The Council will not accept verbal instructions.
- 6.4.4 Once the Notice has been accepted no alteration to the arrangements will be allowed, with the exception of the time of the burial. In this case, notice should be given to the Council at least 24 hours before the original time of burial is due to take place.

6.5 Interment Vessels

- 6.5.1 The Council will only accept coffins or caskets for interments; shroud burials are not permitted.
- 6.5.2 A nameplate should be fixed to each coffin or casket.

6.6 Attendance at Interments by Officials

- 6.6.1 An interment can take place with or without a religious service. It is the responsibility of the bereaved family or the funeral director to arrange for an appropriate authorised person to officiate at the burial.
- 6.6.2 The Cemeteries Team will accommodate all faiths, and their beliefs / needs, where possible and practical to do so.
- 6.6.3 Weston Road Cemetery provides a dedicated Muslim section. Where possible there should be a nominated Muslim community representative present to ensure the smooth running of all Muslim burials.
- 6.6.4 There will be a Council officer present at every funeral to oversee the delivery of the interment. They will maintain a discreet presence to ensure that everything is in place.

7. Burials

7.1 Pre-Burial Preparation

- 7.1.1 A grave space subject to an Exclusive Right of Burial would usually be expected to allow up to three interments.

It is traditional to have one burial interment in each Muslim grave and the Council will respect this tradition. If the family would prefer a deeper grave for two or three burial interments this must be made clear at the time of booking the first interment.

Occasionally soil or ground conditions may necessitate a reduction in the numbers of interments. The Council will not accept liability or responsibility in these circumstances.

More than one burial at any one time in a grave will need to be authorised by the Council, and authorisation is required for each interment.

- 7.1.2 When any grave is re-opened for another burial, no person shall disturb or remove any human remains already interred.
- 7.1.3 Graves can only be excavated by someone appointed to do so by the Council.
- 7.1.4 Prior to a funeral the grave will be excavated and dressed with artificial matting.

The excess soil may be placed on the nearest adjacent area. Space restrictions sometimes mean this may be another grave space. Where this is the case, grave adornments will be removed, the grave covered prior to placement of the soil, and the area reinstated following the burial. The grave owner or the family will be informed wherever possible.

- 7.1.5 The cemetery staff will have a discreet presence at the burial to ensure that everything is in place.

7.2 Post Burial Arrangements

- 7.2.1 Once the mourners have left the graveside the grave will be back-filled. The Council's cemetery staff will return the soil to the grave.
- 7.2.2 We understand that families and mourners may wish to return the soil to the grave themselves and spades will be provided to support this.

Great care should be taken to ensure that mourners are not injured whilst returning the soil to the grave, and therefore up to four people may do this at any one time.

- 7.2.3 Once the soil has reached the appropriate level within the grave the cemetery staff are required to remove the support shoring from around the top of the grave. At this time the family and mourners will be politely asked to step back from the area momentarily whilst this is carried out. They will be advised when they are able to continue the back-fill safely.
- 7.2.4 The soil on the grave will be left mounded to allow for natural settlement in the weeks following the interment. When settlement is complete, the Council will level the soil and grass seed the grave space.
- 7.2.5 On completion of the back-filling, the cemetery staff will tidy the area and remove any excess soil.

7.3 Grave Space Maintenance

- 7.3.1 The Council will maintain the lawn area of all graves. However, the owner (with the Deed of Grant) is responsible for the management and maintenance of any memorial on the grave.
- 7.3.2 In order to ensure access for ease of maintenance, grave space owners are permitted to place fresh, seasonal plants and flowers within 150mm (6 inches) of the front edge on the memorial foundation at the head of the grave. Owners are encouraged to maintain this area themselves in order that the Council's cemetery staff does not have to disturb any items in the course of their maintenance activities.

No other items are allowed on and around the grave space.

- 7.3.3 Fresh floral arrangements will be removed from all graves when they have withered, and these will be disposed through recycling.
- 7.3.4 Any item(s) placed outside the permitted area will be removed without prior notice.
- 7.3.5 Any items left on a grave, are left at the owners risk; the Council does not accept any responsibility for loss or damage to those items.
- 7.3.6 The Council may remove any material or inscription on the grounds of taste, decency or possible offence to any person, faith or community.

7.4 Children's Section

- 7.4.1 The Children's Section at Weston Road Cemetery is available for interments of children aged up to 16 years.
- 7.4.2 Memorials in the children's area will be subject to approval, and permanent memorials may only be erected where the Grant of Exclusive Right of Burial has been purchased.

7.5 Natural Burial Glade

7.5.1 The Council manages (the Glade) to provide an alternative to the more traditional style of burial spaces. The grass within this space will not be kept short at all times, and may therefore appear more wild and natural at times.

7.5.2 We understand that families may wish to plant a tree on each grave or ashes plot. However, this is not appropriate as trees need a space to establish and grow to their full potential.

7.5.3 Any new tree planting will be undertaken at the discretion of the cemetery team, and the species will be chosen to suit the location.

In accordance with best practice, trees will be planted during the winter months, when the trees are dormant.

7.5.4 Only single depth interments are available within the Glade.

7.5.5 Biodegradable coffins, caskets, and their linings, including, but not limited to, cardboard, wicker or soft woods, shall be accepted in this burial space.

Ashes may be buried within this area, or scattered loose.

7.5.6 The Council requests that bodies are not embalmed due to the possible pollution caused by introducing formaldehyde to the soil. We understand that this may sometimes be unavoidable but request that Funeral Directors inform the cemetery team in advance so that due consideration can be given.

7.5.7 The only items that may be placed on the burial spaces in the Glade are fresh cut flowers. All cellophane, ribbons and non-biodegradable wrapping must be removed.

7.5.8 Cemetery staff will remove all fresh flowers when they have withered, and will dispose of them through recycling.

7.5.9 No other items (including, but not restricted to, vases, crosses, wind chimes and trinkets) are permitted to be placed on or around the trees or burial spaces. The Council reserves the right to remove any items, without prior notice.

7.5.10 Any items left on the graves and ashes plots are left at the owners risk and the Council does not accept any responsibility.

7.5.11 The Council reserves the right to remove any trees that are not flourishing in order to allow others to develop to their full potential.

8. Ashes

8.1 Pre-Interment Preparation

- 8.1.1 A grave space subject to an Exclusive Right of Burial would usually be expected to allow up to a maximum of six interments of ashes within each grave space.

A Children's section grave will hold up to two interments of ashes.

A Garden of Rest plot will hold up to two interments of ashes.

A Memorial Rose or Shrub Garden plot will hold up to two interments of ashes.

A Sanctum will hold up to two ashes interments.

Occasionally soil or ground conditions may necessitate a reduction in the numbers of interments. The Council will not accept liability or responsibility in these circumstances.

More than one interment at any one time will need to be authorised by the Council, and authorisation is required for each interment.

- 8.1.2 When any grave is re-opened for another burial no person shall disturb or remove any human remains already interred.

8.3.4 A replacement rose, shrub or plaque can be provided on request. A fee may be payable for this service.

8.4 Sanctums

- 8.4.1 Sanctums (above-ground ashes vaults) may be leased from the Council for a period of 15 years.

- 8.4.4 A floral tribute of freshly cut flowers may be placed in the flower vase provided. Cemetery staff will remove all fresh flowers when they have withered and will dispose of them through recycling.
- 8.4.5 No other items are permitted on, or around, the ashes vault and any item placed there may be removed without prior notice.
- 8.4.6 Unauthorised items placed on or around the ashes vault may cause damage or staining to the stone work. Should any unauthorised items cause damage or staining, the lease holder will be responsible for the cost of cleaning or replacing the memorial vault.
- 8.4.7 The lease of the ashes vault may be renewed for an additional 15 years. The Council will contact the lease holder prior to the lease period ending, using the contact details on file. The renewed lease will be payable at the fees appropriate at the date of renewal.
- 8.4.8 If the lease is not renewed, the lease holder may arrange for the ashes to be collected from the Cemetery Office, or elect for them to be scattered within the Lawn Birches area at Weston Road Cemetery. The inscribed tablet can be collected from the Cemetery Office at Weston Road.
- 8.4.10 Six months prior to the end of the lease period the Council will endeavour to make contact with the lease holder to establish future arrangements. However, if the Council is unable to make contact, or in the absence of any instructions, both the cremated remains and the inscribed tablet will be removed, and the cremated remains will be scattered within the Lawn Birches area at Weston Road cemetery. The inscribed tablet will be removed and disposed of.
- 8.4.11 While the Council will make all reasonable efforts to make contact with the lease holder(s) from the details provided, it is the responsibility of the lease holder(s) to ensure the lease is renewed. The Council will accept no responsibility for action taken in the absence of ownership.

- 8.4.12 Where the lease is held in joint names, on the death of one owner, the Rights automatically transfer to the surviving named lease holder.
- 8.4.13 Upon the death of the sole lease holder, the person who has been nominated to assume responsibility must inform the Council giving their full details including contact information.

8.5 Lawn Birches

- 8.5.1 This area, at Weston Road Cemetery, is set aside solely for the scattering of cremated remains.
- 8.5.2 Scattering is only permitted from the original crematorium container, or from a scattering urn provided by the Council. For the latter, the ashes shall be given to the Cemeteries Officer in advance of the booking date so that they can be transferred into the scattering urn.
- 8.5.3 Fresh cut flowers are permitted within this area, but any cellophane, ribbons and non-biodegradable wrapping must be removed.
- 8.5.4 Cemetery staff will remove all fresh flowers when they have withered, and will dispose of them through recycling.
- 8.5.5 No other items are permitted within the Lawn Birches, and any item placed there may be removed without prior notice.
- 8.5.6 Once the ashes have been scattered an exhumation is not possible.

9. Memorials

Memorials are only permitted on purchased grave spaces. No memorial is permitted on an un-purchased area without the Council's written consent.

Kerbstones, border stones, fencing, and marble, glass or stone clippings are not permitted in the lawn sections of the cemeteries.

- glass vases or any other glass item

9.1 Installation of Memorials

- 9.1.1 Before any monument or stone is erected, repaired or any inscription is cut or altered, an application must be made to the Council, a permit received and approval granted. - 9.1.7 Masons are requested to remove all spare soil or other materials and leave the ground to the Council's satisfaction. They will be responsible for any damage done by them or their workmen. All work must be completed in a timely way without disturbance to other graves, and the mason may not leave the site until the installation of the memorial is completed.
- 9.1.8 The Council reserves the right to refuse any inscription on the grounds of taste, decency, or possible offence to any person, faith or community.

9.2 Memorial Safety and Upkeep

- 9.2.1 The maintenance and upkeep of all monuments and headstones is the responsibility of the Deed of Grant holder. The Council requires that monuments and headstones be kept in good and safe repair at all times.

The Council will undertake a survey of every memorial to ensure that they are in a stable condition and do not pose any immediate danger to visitors and staff working in the cemeteries.

- 9.2.2 At least every five years a visual and stability check will be undertaken. If significant movement of a memorial is detected, or it is deemed unsafe, the memorial will be laid down for safety reasons and we will endeavour to contact the grave owner to inform them.
- 9.2.3 The Council will not be held responsible for memorials damaged through any cause whatsoever, nor for any injury or damage caused by them. Adequate insurance cover should be taken out by the grave owner at the time of purchase and current at all times.

9.3.4 Memorial Walls

The memorial walls are placed around the rose and shrub gardens where memorial plaques and flower vases can be placed in memory of loved ones.

The plaque and flower vase will be placed on the wall for a period of 5 years with the option to renew for a further period.

The Council may remove any material or inscription which is deemed to have fallen into disrepair.

Any items left on the memorial walls are left at the owners risk and the Council does not accept any responsibility.

9.3.5 Memorial Benches

The Council will purchase and locate memorial benches and these will be maintained by the Council.

Plaques may be purchased and installed to a memorial bench for a period of 10 years, with the ongoing option to renew the agreement.

9.3.6 Memorial Trees

Families can sponsor a tree to be planted in either of our cemeteries and a list of appropriate species and suitable locations will be provided.

Cemeteries staff will liaise with the sponsor to agree the location of the tree, but due to the layout and ongoing management of the cemeteries, it may not be possible to deliver the preferred location of the sponsor.

The cost of a memorial tree includes the supply of the chosen tree, planting and the first year's maintenance, including watering. Families are encouraged to water the tree when they are on site to assist with the trees establishment and health.

In accordance with best practice, trees will be planted during the winter months when the trees are dormant.

The Council will not accept responsibility or liability in the case of a tree being damaged or dying, unless this is shown to be due to negligence by the Council.

Damaged memorial trees we will be replaced during the next planting season. This may require a further payment to cover cost and maintenance of the new tree.

Dedication of a memorial tree does not give the donor any right to determine or influence the future management of the specific tree in any way. Should the memorial tree become a risk to property or people, removal will be considered, although all options will be explored to avoid this.

No items are to be placed on or around the memorial tree other than the authorised memorial plaque. Any item(s) placed there may be removed without prior notice.

9.3.7 Memorial Plaques - Trees

Plaques dedicated to a loved one shall be purchased from the Council either in conjunction with a Memorial Tree or to be placed at the foot of an existing tree in either of the cemeteries.

The price of the plaque will be given upon application, as the price may vary due to the length of the inscription.

If the plaque should deteriorate the cemetery team can arrange for a replacement, and a fee may be charged.

9.3.8 Book of Remembrance

There is a Book of Remembrance at both the Weston Road and Almond Lane cemeteries.

The current day's entries will be on display at all times.
