

EQUANS EXPERTS

In response to the growing needs of the communities we serve, Equans is proud to unveil **Equans Experts**.

Equans Experts has been developed to enhance our social value commitments by supporting local businesses and the vital **Voluntary Community**, and **Social Enterprise (VCSE)** sector through the provision of free expert advice.

Why Equans Experts?

The Voluntary, Community, and Social Enterprise sector provides essential services that tackle social, economic, and environmental challenges. Equans is committed to bolstering these efforts, especially during times of financial strain and increased demand for services.

Key Objectives of the Equans Experts:

Boosting Capacity: Provision of free professional advice and support to enhance the capabilities of the Voluntary, Community, and Social Enterprise sector.

Fostering Sustainability: Contributing to the development of diverse and sustainable community-based services that meet local needs.

Offerings and Benefits

Equans Experts will provide a range of support tailored to the needs of the Voluntary, Community, and Social Enterprise sector, including but not limited to:

- Marketing and HR Support
- Recruitment and Training Advice
- Business Planning Support
- Bid Writing Assistance
- Skilled Trades Support
- New and Impactful Alternatives to Traditional Volunteering
- Team and Confidence Building Initiatives

Equans Experts aims to deliver significant benefits, such as:

Economic Impact: Keeping funds within local areas to strengthen community economies

Supporting local supply chains through upskilling efforts

Fostering personal development through skills enhancement
