

Hertfordshire Football vs Dementia

We're hosting a Stevenage v Watford charity match to raise awareness and funds for Alzheimer's Society and you could be part of it!

Don't miss the chance to play with former professional footballers and celebrities, including Barry Hayles, Efe Sodje, Corey Browne, Derek Payne, plus special guest Myles from RakSu and more!

To take part in the match we are asking for a donation of £25 per player. Alternatively tickets are £5 for those who just want to come along and watch. All money raised will go to Alzheimer's Society.
