

**Petition Title: 'Get Tate in to the Round Diamond School'**

**Lead Petitioner:** Stacie Harvey

**Date:** 18 April 2013

**Petition Details:**

Tate's education will suffer severely as his mothers epilepsy will prevent him from getting to the allocated school. Whereas going to the requested school would result in his second guardian, his nan, being able to fully support him in getting to and from school when his mother's not well enough. This means he will get the full time education every child deserves.

**Reason for rejection:**

For being in the following category: 'Outside the powers or remit of Stevenage Borough Council'

Dear Ms Harvey,

I am sorry but unfortunately Stevenage Borough Council does not allocate school places and therefore I cannot respond to your petition. School place allocations are the responsibility of Hertfordshire County Council and their policies and contact details can be found on the Herts Direct Website by using the following website address:
