All the plans drawings and other design documents (including any models and computer generated material) (the Tender Material) forming part of this tender produced prepared or procured by or on behalf of Wates Construction Limited or Wates Interiors Limited remain the property of Wates Construction Limited or Wates Interiors Limited and may not be copied reproduced adapted published or otherwise used without the express prior written approval of Wates Construction Limited or Wates Interiors Limited. You may not use the Tender Material otherwise than for the purpose of the assessment of this tender and on request you will forthwith return or procure the return to Wates Construction Limited or Wates Interiors Limited, of each and every original and copy comprising the Tender Material.

This submission has been provided to you in confidence as it contains information which is confidential and commercially sensitive. We require you to notify us if a third party requests information under the Freedom of Information Act 2000 and to consult with us prior to making a decision whether or not to disclose the information. If the decision is to disclose the information, that decision is to be notified to us with a description of the information and the reasons for disclosure five working days in advance of disclosure.
