Dear

Notice of intention to enter into a long-term agreement (where public notice is to be given) pursuant to Section 20 of the Landlord and Tenant Act 1985 (as amended)

1. It is the intention of Stevenage Borough Council to enter into a long term agreement in respect of which we are required to consult residents.

2. The services to be provided under the agreement are fencing works to Stevenage Borough Council's housing stock including, by way of example but not limited to, the following:

- A full range of repairs and renewals to all types of fencing structures;
- Erection of new fencing to previously open ground where required;
- Works to the full range of associated timber structures within the Council's stock such as gates; and
- Repairs and renewals to ironmongery.

3. We consider it necessary to enter into this agreement to support the in-house services provided by Stevenage Borough Council in the delivery of housing repairs. This will primarily be to:

- Support the Council's direct delivery teams during busier periods;
- Deliver larger repair works where the Council does not have sufficient capacity or outsourcing of the works provides better value; and
- Provide greater flexibility to meet customer demand for fencing works.
- These works are necessary in order to maintain and refurbish Stevenage Borough Council's housing stock.

4. We are not inviting you to nominate persons from whom we should try to obtain an estimate in respect of the matters described in Paragraph 2 above. This is because public notice of these matters is to be given in the Official Journal of the European Union.

5. We invite you to make written observations in relation to the proposed agreement by sending them to **majorworks@stevenage.gov.uk** or **Leasehold Team, Stevenage Borough Council, Daneshill House, Danestrete, Stevenage, SG1 1HN**. Observations must be made within the consultation period of 30 days from the date of this notice. The consultation period will end on 20th July 2017.

Yours sincerely

Rebekah Brydon
Major Works Officer
