On THURSDAY 6th May 2021 at 2100 hours, I was on duty in company with Pc520 PHIPPS, under call sign NE749.

We attended the SHOWGROUND CAR PARK, BROADHALL WAY, STEVENAGE, HERTFORDSHIRE in relation to Op.Shape. This is an on-going operation in relation to car meets, anti-social driving and enforcing a civil injunction obtained by Stevenage Borough Council on 7th DECEMBER 2020 at Luton Crown Court. The injunction forbids any person from participating in a car-cruise. A car-cruise is defined as a congregation of the drivers of 2 or more motor-vehicles on the public highway or at any place to which the public have access, which any person, whether or not a driver, performs any activities, so as, by such conduct, to cause any of the following; excessive noise, danger to other road users, damage or the risk of damage to private property, or cause any nuisance to another person not participating in the car-cruise.

The injunction has been well publicised in the local press and social media outlets and there are numerous signs on the public highways within the town highlighting this. There are signs as you enter the SHOWGROUND CAR PARK.

As we entered the car park, I could hear the sound of a loud exhaust. I could see a light coloured vehicle followed by a smaller dark vehicle, driving at speed along one of the lanes, before turning and driving at speed again. The manner of the driving was causing the exhaust to make a loud noise and a 'popping' sound. This is one of the common complaints that we receive from near-by residents. Both cars then parked up at the rear of the car park in company with another. There were 3 vehicles in total. After a couple of minutes, the small dark vehicle drove at speed across the marked lanes towards the exit. I turned and followed the vehicle onto BROADHALL WAY. I noted the vehicle was a black Fiat Panda, bearing index [REDACTED]. This stretch of BROADHALL WAY is a dual carriage2ay, subject to a 40 mph speed restriction. I remained behind the vehicle as it accelerated to 60 mph, before taking the 4th exit at the roundabout junction with VALLEY WAY, remaining on BROADHALL WAY. Again, the vehicle accelerated up to 60 mph, before slowing for the roundabout junction with MONKSWOOD WAY, where it took the 3rd exit onto

MONKSWOOD WAY towards town. I took the 4th exit back onto BROADHALL WAY and returned to the SHOWGROUND CAR PARK where I approached the remaining 2 vehicles at the rear.

The silver vehicle that I had seen driving earlier was a BMW 325 CI, bearing index [REDACTED]. I approached the driver and lone occupant, who made himself known to me as [REDACTED] bn. [REDACTED] of [REDACTED]. He provided a driving licence as ID. A PNC check showed that the vehicle MOT had expired on 30/01/2021. I pointed out the offence of driving with no MOT and also the breach of injunction and cautioned [REDACTED]. [REDACTED] stated that the vehicle had been off the road and he had not received a reminder about the MOT and that he was unaware the MT had expired. He confirmed that he was at the location to meet friends and was not en-route to an MOT test centre.

[REDACTED] stated that he was aware of the injunction and why it had been granted.

I reported [REDACTED] for consideration of prosecution for the offence of using a motor vehicle with no MOT and cautioned him. He made no reply. I then warned him not to breach the injunction any further.

I then attended the registered address of the Fiat Panda, [REDACTED] where I spoke with [REDACTED]. He confirmed that the vehicle was currently being used by his son, [REDACTED], of the same address. I arranged to return to the address the following day to speak with [REDACTED].

On FRIDAY 7th MAY 2021 at 1800 hours, I re-attended the address and spoke with [REDACTED] in company with his dad [REDACTED] confirmed that he was the driver of the vehicle the previous evening, but that he was unaware of the injunction. I provided him with an information leaflet regarding this and we spoke about the reasons for the injunction and his poor standard of driving.

At the end of the conversation, I said to [REDACTED] "I AM REPORTING YOU FOR CONSIDERATION OF PROSECUTION FOR BREACHING THE INJUNCTION LAST NIGHT". Caution. No reply. I then issued him with a S.59 Police Reform Act 2002 warning. I then completed a breach of injunction process report, which I exhibit as RG/1.

At 1920 hours, [REDACTED] attended Stevenage police station at my request and at that time I said to him "I AM REPORTING YOU FOR CONSIDERATION OF PROSECUTION FOR BREACHING THE INJUNCTION LAST NIGHT". Caution. Reply "I UNDERSTAND". I then issued him with a S.59 Police Reform Act 2002 warning. I then completed a breach of injunction process report, which I exhibit as RG/2.

I uploaded my body worn video of the footage, which I exhibit as RG/3 if required for court. I have burnt the footage to 2 discs which I exhibit as RG3(1) and RG/3(2).

I had no further dealings with either party.

Our Ref: HC-27052021-0848
Friday, May 28, 2021

Dear **Jamie Brown**,

You are shown as being the Registered Keeper of a [REDACTED] registration [REDACTED].
On Thursday 27th May 2021 at 2120hrs this vehicle was seen in the **Showground Car Park, Fairlands Valley, Broadhall Way, Stevenage** where it was reported to police to be in company with another vehicle **driving with a loud exhaust causing excessive noise.**

I would like to take this opportunity to remind you that there is a **HIGH COURT INJUNCTION** which was granted on 7th DECEMBER 2020 in the county court of Luton which bans Car Cruising in Stevenage.

WHAT IS AN INJUNCTION?

An injunction is an order of the court which, in most circumstances, prohibits certain activity. Breach of an injunction is classified as 'contempt of court' and could attract a prison sentence.

WHY DID STEVENAGE BOROUGH COUNCIL APPLY FOR AN INJUNCTION?

The town of Stevenage has a long history of organised cruises, the most established of which were, until recently, organised by a group known as Cruise Herts, which had been operating since about 2003. On 18 July 2019 at about 9.45 pm, during a car-cruising event attended by around 400 people, a serious accident on Monkswood Way occurred. Two cars taking part in the event collided and were unable to stop safely, leaving the highway and colliding, ploughing into the crowd of spectators who were watching the event, 18 of whom sustained injuries. This incident, which attracted national media publicity, involved the attendance of all three emergency services.

Moving forward, the council were concerned that the threat of a large-scale event with no prior

approval or authorisation (from either the Police or the Council) could be detrimental to the public safety, businesses and general reputation of the borough of Stevenage.

WHY DID THE COURT GRANT THE INJUNCTION?

The Court was satisfied that the information that was presented to them was of such a serious and urgent nature that an injunction was necessary.

WHAT DOES THE INJUNCTION PROHIBIT?

The injunction is aimed at Car Cruise events which are unauthorised, the prohibitions are applicable to any location within the Borough of Stevenage. It is ordered that all persons are forbidden from participating in a car-cruise. It is also forbidden for anyone to promote, organise or publicise in any manner any car-cruise within Stevenage. The injunction is valid until the 7th of December 2022.

WHAT IS A CAR CRUISE?

“Car-Cruise” means a congregation of the drivers of 2 or more motor-vehicles on the public highway or at any place to which the public have access, which any person, whether or not a driver, performs any activities, so as, by such conduct, to cause any of the following:

- (i) excessive noise;
- (ii) danger to other road users (including pedestrians);
- (iii) damage or the risk of damage to private property;
- (iv) any nuisance to another person not participating in the car-cruise.

The activities referred to above, are:

- (i) driving at excessive speed, or otherwise dangerously,
- (ii) driving in convoy;
- (iii) racing against other motor-vehicles;
- (iv) performing stunts in or on motor-vehicles;
- (v) sounding horns or playing radios;
- (vi) dropping litter;
- (vii) supplying or using illegal drugs;

- (ix) shouting or swearing at, or abusing, threatening or otherwise intimidating another person;
- (x) obstruction of any other road-user;

WHAT IS PARTICIPATING IN A CAR-CRUISE?

A person participates in a car-cruise whether or not he is the driver of, or passenger in, a motor-vehicle if he is present and performs or encourages any other person to perform any activity.

Please acknowledge this letter as information at this stage however should your vehicle be seen in Stevenage in breach of the Injunction in the future, then evidence will be collated and a prosecution may be sought.
