

STEVENAGE BOROUGH COUNCIL

STATEMENT OF REASONS FOR PROPOSING

**THE BOROUGH OF STEVENAGE (LONDON ROAD, STEVENAGE) (GOODS
VEHICLE LOADING BAY) ORDER 2020**

As part of Stevenage Town Centre development the existing bus station located in Danestrete, Stevenage will be relocated to south of the Leisure Centre, the current location of town centre car park P. The existing vehicle access to Leisure Centre from Danesgate will also be closed and instead vehicles access will be made possible in the north section of London Road from Swingate.

The Borough of Stevenage (London Road, Stevenage) (Goods Vehicle Loading Bay) Order 2020 proposes to introduce a goods vehicle loading bay as described in the Schedule of this Order and the accompanying plan. This is to maintain adequate loading facilities for goods vehicles needing to load or unload after removing the parking area located in the south section of this road and thereby maintain and improve the amenity of the area.
