

STATEMENT OF REASONS FOR PROPOSING

THE BOROUGH OF STEVENAGE (THE GRANGE, STEVENAGE) (RESTRICTION OF WAITING) ORDER 2020

At present parking in The Grange is liable to cause a hazard and/or an obstruction. Reports have been made by the local school, the residents and others. Officer observations and desktop swept path investigations have verified the problem. A recent informal consultation with the properties fronting the area affected by this proposal highlighted an overwhelming support for 'No waiting at any time' restrictions to be introduced for the entire length of The Grange.

The Council's investigations have found that the current unrestricted parking is liable to cause an obstruction to traffic both during the day and in the evening.

Therefore, it appears to the Borough Council as Order making Authority, that it is necessary and expedient to make the Order in the interests of avoiding danger to persons or other traffic using the road and for preventing the likelihood of any such danger arising and for facilitating the passage on the road of any class of traffic (including pedestrians).
