Statement of Representations Procedure and Availability of Documents

The Town and Country Planning (Local Planning) (England) Regulations 2012 (as amended) Regulation 19

Title of Document

Stevenage Borough Local Plan – Partial Review and Update

Subject matter and area covered

The Stevenage Borough Local Plan was adopted on 22 May 2019. The Plan sets out a spatial vision for the town to 2031 and contains detailed land use policies for the Borough. It looks to guide development and covers areas like housing, the built and natural environment, infrastructure, businesses, open spaces and more.

Tackling the Climate Emergency is an issue we are deeply committed to addressing. This means we are consulting on a partial update of our Local Plan to make sure that we are thinking sustainably for the next, and future generations. The aim of this review is to not replace the existing Plan with an entirely new plan, instead focus on areas that we feel need urgent attention.

It is important to remember that the Local Plan Review, at this stage, consists of a Partial Review and Update of the Stevenage Borough Local Plan (May 2019). As such, the scope of the review to policies and supporting text is limited to necessary changes only, related to key drivers of change since the Plan was adopted in 2019. Other wider changes will be considered for the next stage of the Local Plan Review, a Full Review of the Plan, from 2025 onwards.

Main areas of review include Climate Change, Environment including trees, Houses in Multiple Occupation, Flooding and Drainage, Station Gateway Major Opportunity Area and Design, among other minor amendments.
