2. Questions/procedural or programming matters
3. Council's opening statement

General Questions

4. Are the proposed housing site allocations appropriate and justified in the light of potential constraints, infrastructure requirements and adverse impacts?
5. Are the assumptions regarding the capacity of the sites justified, what is this based on?
6. What is the basis for proposing housing on areas of public open space and sites currently in recreational use? What is the situation regarding the adequacy of open space/recreational facilities in the areas concerned? How would the proposed

housing sites affect this? Is the approach justified and is it consistent with the NPPF?

7. Are the detailed requirements for each of the allocations clear and justified? Have site constraints, development mix and viability considerations been adequately addressed? Are the boundaries and extent of the sites correctly defined?

Policy HO2 – Stevenage West

8. Is the scale of this development appropriate?
9. Would it give rise to any highway safety issues or traffic congestion that could not be mitigated?
10. Is the required recreational open space sufficient to meet the needs of the development?
11. Is reference to 'phasing' of the development required in the policy?
12. Is the wording of the policy sufficiently flexible?
13. Close
