### **Statement of Representations Procedure and Availability of Documents**

The Town and Country Planning (Local Planning) (England) Regulations 2012 (as amended) Regulation 19

#### **Title of Document**

Stevenage Borough Local Plan Partial Update

#### **Subject matter and area covered**

The Stevenage Borough Local Plan was adopted on 22 May 2019. The Plan sets out a spatial vision for the town to 2031 and contains detailed land use policies for the Borough. It looks to guide development and covers areas like housing, the built and natural environment, infrastructure, businesses, open spaces and more.

Tackling the Climate Emergency is an issue we are deeply committed to addressing. This means we are consulting on a partial update of our Local Plan to make sure that we are thinking sustainably for the next, and future generations. The aim of this review is to not replace the existing Plan with an entirely new plan, instead focus on areas that we feel need urgent attention.

It is important to remember that the Local Plan Review, at this stage, consists of a Partial Update of the Stevenage Borough Local Plan (May 2019). As such, the scope of the review to policies and supporting text is limited to necessary changes only, related to key drivers of change since the Plan was adopted in 2019. Other wider changes will be considered for the next stage of the Local Plan Review, a new Local Plan. Main areas of review include Climate Change, Environment, Houses in Multiple Occupation, Flooding and Drainage, Station Gateway Major Opportunity Area and Design, among other minor amendments.

The Local Plan Partial Update was submitted to the Secretary of State (MHCLG) on 15 August 2025, ahead of an independent Examination in Public by an appointed Planning Inspector.

The Stevenage Borough Local Plan Partial Update Examination in Public Hearing sessions were held from 2–10 December 2025 and conducted by an independent Planning Inspector (PINS). Further details regarding the Examination in Public can be viewed at the dedicated Examination website: <https://www.hwa.uk.com/projects/stevenage-local-plan-partial-update/>

At the conclusion of the Examination in Public Hearing sessions, the Inspector advised that the Plan was capable of being found sound, but that Main Modifications (MM) would be required.
