

The SADA Domestic Abuse Service, which is a service for everyone, aims to signpost and support people experiencing domestic abuse.

SADA Domestic Abuse Service

A dedicated domestic abuse liaison worker will signpost clients to agencies where they can offer support covering a wide range of areas.

- Implementing additional security features in the home
- Supported referrals to other agencies
- Housing/ tenancy issues
- Debt and benefits advice and guidance
- Emotional support to the individual and family
- Practical Support to the individual and family
- Support around accessing legal advice
- Open to men and women
- Access to multi agency panel.
